Meeting Notice

As per requirement of Asian Development Bank (ADB), a Market Capacity Assessment is mandatory to proceed before project approval. Even ADB have questionnaire templates for prospective bidders (suppliers & contractors). BWDB is going to implement Adaptive River System Management Project (ARSMP) with financing from GoB & ADB. So, to comply with ADB's requirement, ADB engaged Procurement Specialist needs an open discussion with prospective bidders (suppliers & contractors) to conduct Market Capacity Assessment. In continuation to that, a general discussion will be held on proposed ARSMP project working scope with the prospective bidders at 10:00 am on 8th April, 2026 in Room No.1003 of Pani Bhaban, BWDB, 72 Green Road, Dhaka. You are cordially requested to attend the meeting & disseminate the info to other interested parties so that they can attend.
