Dear Sir,

I was deeply saddened to learn of the passing of Mr. Md Anisul Islam, Project Director of the South West Project, in which this Embassy participated. Mr. Islam is held in high esteem and the Embassy is grateful of his contributions to the success of the project. The Water Management Team at this Embassy holds very good memories of him.

Please accept, on behalf of the Embassy of the Kingdom of the Netherlands, my sincere condolences. I would highly appreciate it, if you would convey our deepest sympathy to Mr. Islam's family.

Yours Sincerely,

Harry Verweij  
Ambassador
